

GUIDE FOR VNTOPUP VIA SMS – SMARTLINK

Step 1: REGISTER SERVICE

Condition: Customers of HDBank SMS Banking

Please come to the nearest HDBank transaction offices to register or create message as syntax:

| SERVICE | SYNTAX | SEND TO |
|------------------|---|-----------|
| Register service | HDB DKT [current account number] [SMS password] | 8049/8149 |

Note:

[Current account number]: the number of current account opened at HDBank

[SMS password]: SMS Banking's password including 4 characters in number

Step 2: ACTIVATE SERVICE

After successfully register, follow this below syntax to activate service. There are 2 ways to activate:

| SERVICE | SYNTAX | SEND TO |
|---------------------------|-----------------------|-----------|
| Activate without password | OK | 8049/8149 |
| Activate with password | OK [service password] | |

Note:

[Service password] is exclusively for this Topup via SMS service including 4→6 characters without distinguishing number or words

Step 3: USE SERVICE

Follow the below syntax:

| SERVICE DESCRIPTION | SMS SYNTAX | | Number |
|--|--|---|--------|
| | Without password | With password | |
| Topup for yourself | HDB NAP [par value] | HDB NAP [par value] [password] | 8188 |
| Topup for others | HDB NAP [par value] [phone number] | HDB NAP [par value] [phone number] [password] | |
